

Clara Donahoo, RN/Joseph Dimon, MD Memorial Clinical Lectureship

Purpose

To promote excellence in orthopaedic nursing practice through an endowed lectureship addressing best practices, health policy or clinical research. The lecture will be presented as a 1 ½ hour General Session at NAON's Annual Congress and offered for publication in *Orthopaedic Nursing*.

Lectureship Grant

1. \$ 2,000.00 honorarium.
2. Recognition in NAON and NAON Foundation publications.

Eligibility

1. Must be a current NAON member.
2. Must hold current licensure as a registered nurse.
3. Must currently spend at least 50% of his/her time devoted to the specialty of orthopaedic nursing.
4. Current members of the NAON Executive Board, NAON staff and NAON Foundation Trustees are not eligible for this scholarship.

Criteria

1. The lecture topic must address one of the following areas: best practices, health policy or clinical research.
2. The applicant should address why the topic is innovative, cutting edge, visionary or provocative.
3. Objectives and outline of the lecture to be provided in order for the audience to receive continuing education credit.

Required Documentation

1. Completed application form.
2. Proof of current nursing licensure and NAON membership.
3. Letter specifying:
 - a. Topic area (i.e., best practices, health policy or clinical research).
 - b. Why the topic is innovative, cutting edge, visionary or provocative.
 - c. Statement of your qualifications to speak to this topic.
 - d. Objectives and outline of lecture.
 - e. Description of handouts that will be provided for participants.
 - f. Audiovisual requirements.
4. Upon selection a digital headshot photograph in professional attire must be submitted and permission granted for use of the image in all NAON/NAON Foundation publications/media.
5. *Only electronic submissions will be accepted. Incomplete and late submissions will not be considered..* **Application Submission Deadline: August 22, 2018**
